Validation Scripting

Job Vacancy Registration Form | TalentBridge Solutions

Output

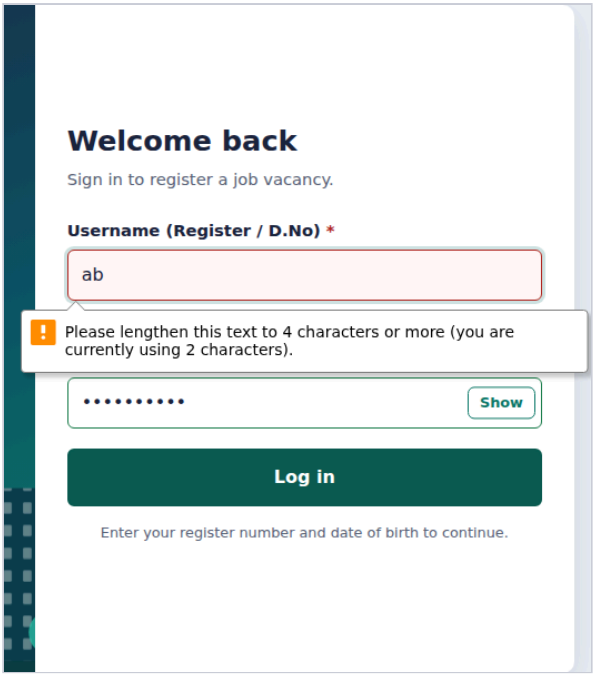

Figure 1: Login validation - username must be 4 to 30 characters

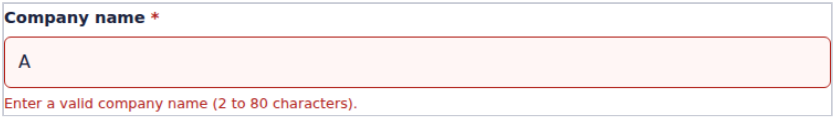

Figure 2: Company name - 2 to 80 characters

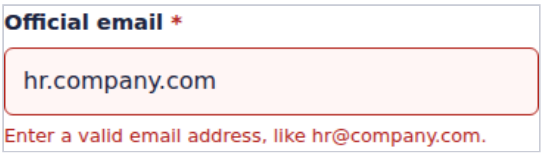

Figure 3: Official email - must be a valid email address

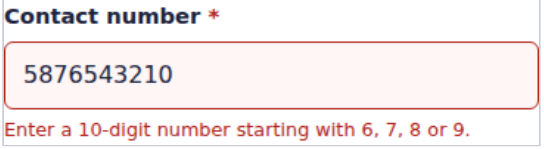

Figure 4: Contact number - 10 digits starting with 6, 7, 8 or 9

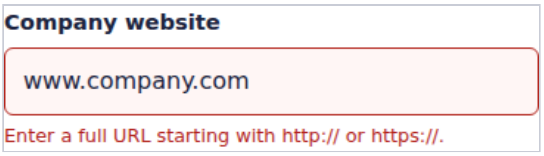

Figure 5: Company website - must start with http:// or https://

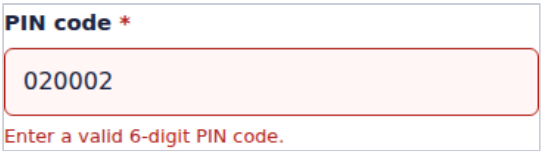

Figure 6: PIN code - 6 digits, not starting with 0

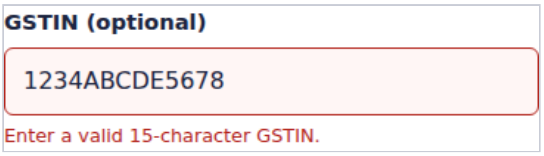

Figure 7: GSTIN - valid 15-character GST number

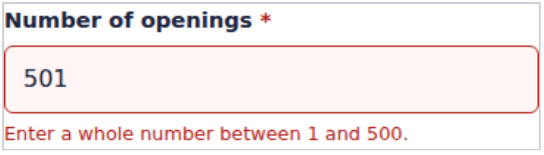

Figure 8: Number of openings - whole number between 1 and 500

Figure 9: Maximum salary cannot be below the minimum salary

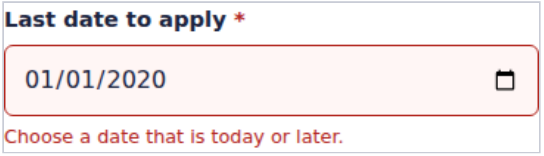

Figure 10: Last date to apply - today or a later date

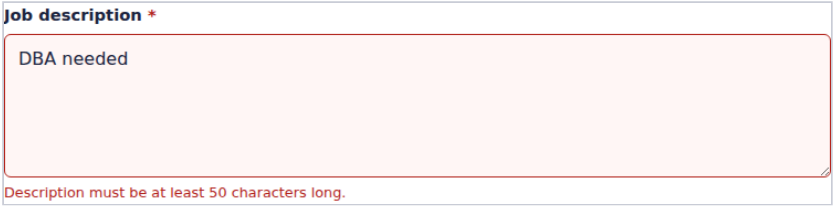

Figure 11: Job description - at least 50 characters

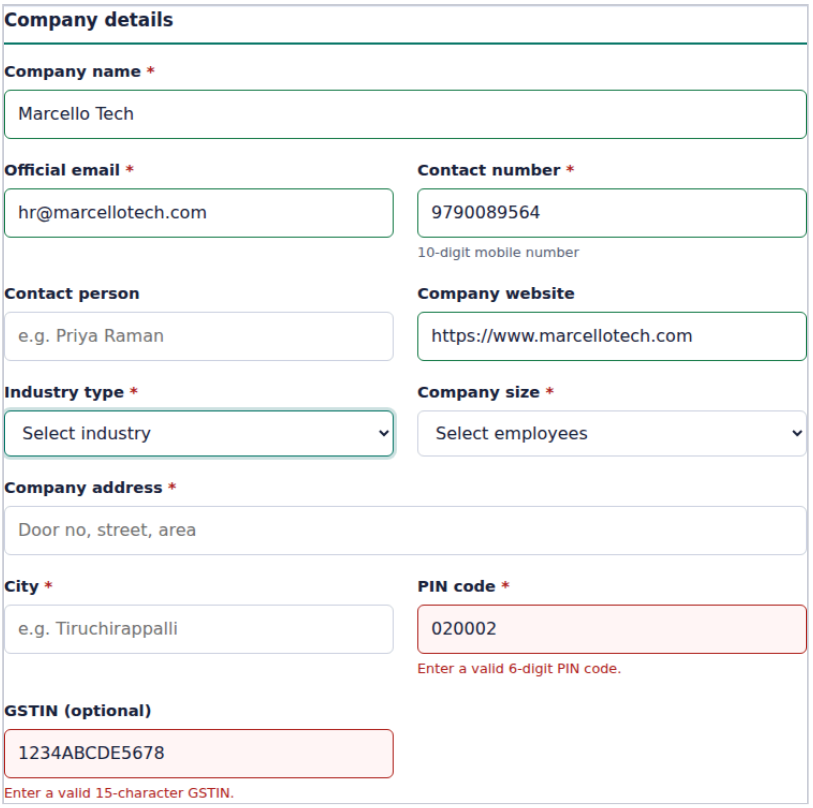

Figure 12: Company details completed - each valid field turns green

Coding

1) Validation rules and error messages (HTML attributes of the form fields)
